

MOBILE COUNTY COMMISSION

205 Government Street
Mobile, Alabama 36644
PO BOX 1443
Mobile, AL 36633

BID INVITATION

NO. 70-12

August 21, 2012

In accordance with General Act No. 217, Special Session 1967, notice is hereby given that the Mobile County Commission, Mobile, Alabama, will receive bids on the following items

ANNUAL HERBICIDE TREATMENT FOR SELECTIVE WEED CONTROL ON MOBILE COUNTY RIGHT OF WAYS BID FOR MOBILE COUNTY PUBLIC WORKS DEPARTMENT AS PER ATTACHED SPECIFICATIONS:

NOTE: PRICES MUST REMAIN FIRM FROM OCTOBER 1, 2012 THROUGH SEPTEMBER 30, 2013.

Any questions or comments concerning the bid requirements must be brought to the attention of the Purchasing Agent, Susan Holland, 251-574-8613, 205 Government Street, 8th floor south tower, Mobile, Alabama 36644, to or at bid opening or will be forever waived.

All bidders shall furnish a five percent (5%) bid bond on any contract exceeding \$15,000: provided, that bonding is available for services, equipment or materials.

Out of State Corporations shall furnish a Certificate of Authority to transact business in the State of Alabama. Out of State limited liability companies shall provide proof of registration to transact business in this state. Alabama law requires that a successful bidder, if it has employees in the State of Alabama, provide proof of enrollment in E-Verify prior to the award of a contract. (See enclosed notice which must be completed, signed and returned with your bid.)

If applicable to a contract resulting from this invitation, the successful bidder must comply with the Contractor Felony Investigation Policy, available in the Purchasing Department or at mobilecountyal.gov.

This inquiry is to establish a price and a source of supply for the above listed items by Mobile County Commission and the incorporated areas therein. Purchases by political subdivisions are optional with those agencies.

THE MOBILE COUNTY COMMISSION DOES NOT DISCRIMINATE ON THE BASIS OF RACE, AGE, SEX, NATIONAL ORIGIN, RELIGION, OR DISABILITIES.

F.O.B. Mobile DATE OF DELIVERY _____ TERMS _____ You are invited to bid on the above specifications. The restrictions contained herein are for the purpose of fixing a quality level, and any deviation therefrom must, in detail establish that it meets the quality requirements.

BIDS WILL BE RECEIVED UNTIL 10:00 A.M. September 12, 2012

ALL BIDS MUST BE SEALED, THE WORD "BID", THE BID NUMBER AND THE NAME OF THE ITEM MARKED ON THE OUTSIDE OF THE ENVELOPE. BIDS WILL BE RECEIVED BY THE RECEPTIONIST IN THE OFFICE OF THE COUNTY COMMISSION ADMINISTRATOR, 205 GOVERNMENT STREET ON THE EIGHTH FLOOR OF THE MOBILE COUNTY GOVERNMENT PLAZA. FAILURE TO OBSERVE THE ABOVE INSTRUCTIONS WILL CONSTITUTE GROUNDS FOR REJECTION OF YOUR BID. THE COMMISSION RESERVES THE RIGHT TO REJECT ANY OR ALL BIDS.

MOBILE COUNTY COMMISSION

JOHN PAFENBACH, COUNTY ADMINISTRATOR

We propose to meet the above specifications for the sum

of \$ SEE ATTACHED LIST.

Delivery can be made in _____ days from receipt of award.

RESPECTFULLY

BY _____

IMPORTANT

THIS DOCUMENT MUST BE COMPLETED, SIGNED AND RETURNED
WITH YOUR BID

As a condition for the award of a competitively bid contract to a company having one or more employees in the State of Alabama, the Beason-Hammon Alabama Taxpayer Citizenship and Protection Act, codified at Section 31-13-1, et seq., Code of Alabama (1975), as amended, requires that the company provide, in advance, proof of enrollment in E-Verify. E-Verify is an internet based system operated by the U.S. Department of Homeland Security, which may be used to determine the eligibility of new hires to work in the United States. Further information about enrollment in E-Verify may be found at www.uscis.gov/everify and www.Verify.Alabama.gov.

As proof of enrollment in E-Verify, Mobile County requires a copy of the electronically signed signature page of the contractor's Memorandum of Understanding with the U.S. Department of Homeland Security or Alabama Department of Homeland Security (contractors having fewer than 25 employees may enroll in E-Verify through the state Department of Homeland Security).

Please complete the following and return with your bid:

the State of Alabama

Or

_____ (company name) is enrolled in E-Verify and a copy of the electronically signed signature page of the company's Memorandum of Understanding is attached.

Date	Signature	Title
------	-----------	-------

Company ID Number: 477783

To be accepted as a participant in E-Verify, you should only sign the Employer's Section of the signature page. If you have any questions, contact E-Verify at 888-464-4218.

**HERBICIDE TREATMENT
SPECIFICATIONS
FOR
SELECTIVE WEED CONTROL
ON
MOBILE COUNTY
RIGHT-OF-WAYS**

**HERBICIDE SPRAYING SERVICES SPECIFICATIONS
FOR
SELECTIVE WEED CONTROL
ON
MOBILE COUNTY RIGHT-OF-WAYS**

I. SCOPE OF WORK:

1. The intent of this contract is for herbicide spraying services to be performed in cycles (treatments) of varying amounts of herbicide and for different types of treatment over the course of a year. This contract will cover the same roads being treated, but the actual coverage areas will vary. More than one treatment may overlap, especially treatment B and C, contractor shall have the ability to preform, with the required personnel and equipment to perform two different treatments at one time, as needed.
2. The contractor shall furnish all personnel, qualified supervision and insurance to apply herbicides to vegetation growing in and along roadside right-of-way within the Mobile County maintenance limits, Mobile, Alabama, (see Appendix 1 for exact listing of roads).
3. Prospective bidders are urged to make a complete inspection of all areas to receive treatment and failure to do so will not relieve him of any of the provision of the specifications herein.
4. **The contractor shall not be required to furnish the herbicidal chemicals. The herbicides and adjuvants will be supplied by Mobile County. Selection will be made from attached list as agreed upon before each treatment.**

Note: The use of the term Bidder and Contractor means the same company and for that company to perform all tasks in this contract.

II. Inspection/Frequency of Work:

1. All roads listed in Appendix 1 will have a herbicide treatment to some degree. All treatments will commence within ten (10) working days after a written notice to proceed is issued by Mobile County. A representative of the bidder, qualified and knowledgeable in vegetation/herbicide work will be required to survey our roadside coverage areas prior to the notice to proceed being issued to determine when a treatment cycle should start. This representative shall have a Custom Pesticide Applicator's License issued by the Alabama department of Agriculture and Industries.
 - A. The First treatment will be a **broadcast treatment**, applied during the winter (dormant) season (approximately in March) and will be applied in a uniform rate to the grass areas along the right-of-way. This dormant treatment is to be accomplished before any green-up of vegetation has occurred. The exact amount of acres to be treated will be determined by field inspection and documentation prior to herbicide treatment by contractor and Mobile County representatives.
 - B. The second treatment will be a **broadcast treatment**, applied during the late spring season (approximately in May) and will be applied in a uniform rate to the grass areas along the right-of-way (same areas as determined in 1. A. above). The exact amount of acres will the same as

the determined in 1. A.

- C. The third treatment will be a **broadcast treatment**, applied in late summer (approximately in August) and will be applied in a uniform rate to the grass areas along the right-of-way (same areas as determined in 1. A. above). The exact amount of acres will the same as the determined in 1. A.
- D. The fourth treatment will be a **brush treatment**, applied during the early fall season and will be varying in methods of application, from longer narrow band widths - along the edge of the right-of-way (**See Bid Item D.1**) to single tree and small areas of vegetation(**See Bid Item D.2**).

This is a brush control treatment, where the eradication of the vegetation (bushes, small trees, etc...) will be treated along the right-of-way, but **does not include any grass areas**.

Bid Item D.2 The exact total area of this method is determined to be unquantifiable by acreage. Payment will be based on **gallons of mix** used which will be controlled by the agreed chemical rate per gallons of mix. These non-broadcast treatment areas will be logged by each location with the amount of mix used at each location.

The decision for method of application will consider density and area versus the areas of narrow band width along the roadway.

- E. Each of the above treatments will be supplemented by **localized spot treatment** as directed by Mobile County of paved ditches, driveway pipe ends, culverts, cross drains, guardrails, bridges and drainage easements as directed by Mobile County representatives. Payment will be based on gallons of mix used which will be controlled by the agreed to chemical rate per gallon of mix. The non-broadcast areas will be logged by each location with the amount of mix used for each.
2. No later than 30 days after the completion of each application a joint inspection by representatives of the contractor and Mobile County shall be made to determine the effectiveness of the herbicide treatment.

III. Technical Specifications:

- 1. Vegetation is defined as all weeds, vines and brush (except Bermuda grass).
- 2. Areas of roadside to receive herbicide treatment is further defined as being the shoulders, medians, ditches, bridge and culvert abutments, and open ground to limits of the right-of-way, unless otherwise specified. **Areas obviously maintained by the adjacent property owner will not be sprayed.**
- 3. The herbicides used and the rates which they shall be applied to roadside right-of-way shall be determined and **supplied by Mobile County** prior to the notice to proceed and will be strictly adhered to as set forth.

Note 1: All broadcast mixes shall be combined with clean water and applied in

total volume of 25 gallons water/mix per acre.

Note 2: Drift control shall be used to contain treatment within right-of-way areas. The amount will be determined by bidder and will be provided by the County.

4. All equipment used by the contractor for herbicide application must be certified and licensed by the Alabama Department of Agriculture and Industries and must comply with all applicable State, Federal and OSHA Regulations. A permanent rotating amber caution light will be mounted on top of each piece of equipment that operates from public roads.
5. Contractor shall apply broadcast herbicides to roadside right-of-way with truck\ mounted spray equipment, utilizing computerized controls to keep application rate constant as speed and width of application varies.

Treatment D (Brush control) may include other equipment for a spot type -ex Foliar or Basal Bark applications - application only and would require additional record keeping. For basal bark treatment all sprayers shall be low pressure furnished with low volume spray tips. Basal bark treatments shall thoroughly wet the lower 12-15 inches of stems/trunks on all sides including root collar area short of run-off.

A detailed list of spray equipment to be used for this work including sprayer control devices shall be included with bid as a basis for the County to determine applicators ability to perform this contract.

6. Bidder shall have Custom Pesticide Applicator's License issued by the Alabama department of Agriculture and Industries. **Bidder shall submit a copy of license with bid.**
7. The Bidder shall furnish names, addresses, telephone numbers and resume of experience, of at least two (2) supervisors, with a minimum of five (5) years experience, and three (3) applicators with a minimum of three (3) years experience in the area of weed control (roadside) as a contractor in the right-of-way application business with bid.
8. The Contractor shall not apply any herbicides when rainfall is forecasted within eight (8) hours before application, during periods of rainfall, or immediately following periods of rainfall while vegetation retains rainfall moisture on the surfaces of the plant.
9. All areas treated shall be inspected by the contractor thirty (30) days following all treatments, as reflected in (II. 2. above), to determine if treatment of vegetation has been effective and 100% coverage has occurred. In all cases where coverage is not 100% complete, retreatment will be applied as require, at the rate specified for the type and time of treatment. **This retreatment for incomplete work will be performed at no charge to the County.** A subsequent inspection of areas which received retreatment shall be conducted to determine effectiveness of the treatment. If the effectiveness of the re-treated areas are found un-effected, a reduction in cost for this area(s) will be applied to final payment of the contract for that treatment.
10. The Bidder shall submit a list of at least two (2) similar roadside projects which have been successfully completed within the past three (3) years with bid. Project name, customer, amount of contract, contact name and telephone

- number to be included for each project.
11. Bidder must have Contractors License issued by the Alabama State Board of Contractors under the provisions of title 34, Chapter 8, Code of Alabama for herbicide application. **Bidder shall submit copy of license with bid.**
 12. Contractor shall make daily reports to Mobile County which includes the following items:
 - A. Name of roads and type/location of spot treatments receiving herbicide treatment and the names of all applicators who treated these roads.
 - B. A signed log sheet, indicating the work of each applicator, listing each length and width segment, the total acres for each segment and the quantities of material used.
 - C. Weather conditions at the beginning of the day, mid-day and end of day, that includes time, temperature, wind speed, sky conditions (if rain, when the occurrence started and ended).

IV. Responsibility of Property Damage:

1. The contractor shall be responsible for any damage, personal or property, caused by the use of chemicals, vehicles, or other equipment while engaged in this contract. The contractor shall pay for and maintain in force during the tenure of this contract, insurance, listed below. Mobile County shall be provided certified proof that such insurance is, in fact, in force for the length of the contract.

Coverage	Limits
A. Property Liability for Bodily Injury and Property Damage	\$1,000,000 per occurrence \$2,000,000 aggregate
B. Auto Liability	\$1,000,000 per occurrence
C. Workman's Compensation	As required by Alabama State Law

All complaints shall be handled by the contractor within 24 hours of notice, written notice to be sent by Mobile County. Full records of complaints of damages, including action(s) taken, will be kept by both contractor and Mobile County. Mobile County will be informed in writing as to the disposition of all complaints as to their legitimacy and settlement. Mobile County shall be added as an additional insured on the insurance provided under this contract.

V. Payment:

Payment shall be made only after the 30 day inspection has been completed by Mobile County and found that no additional treatment is required. The cost of any re-treated areas not determined as being 100% treated shall not be charged to Mobile County. Each treatment cycle shall be paid based on the unit cost for the type of treatment used.

VI. Bid Bond:

A certified check or bidder's bond for five percent (5%) of the estimated total bid must accompany each bid.

VII. Performance Bond:

The contractor shall furnish a Performance Bond in the sum of one hundred percent (100%) of the estimated contract amount as security for faithful performance of this contract and for the payment of all persons performing labor on the project under this contract and furnishing materials in connection with this contract. The surety on such Bond shall be issued by a duly authorized surety company satisfactory to Mobile County.

VIII. Cancellation of Contract:

Mobile County reserves the right to cancel this contract for any reason or cause. Cancellation shall be in writing, by Mobile County. Any work performed before this contract is terminated shall be paid under the conditions of (V. Payment:).

IX. Low Bid:

Mobile County reserves the right to determine which bidder is the lowest and best bid and to accept or reject any or all bids based on this determination.

X Renewal Option:

This contract will have an option to renew for a second and third year (October 1st to September 30th) at the same pricing, terms, and conditions. These additional contracts, if requested by Mobile County and agreed upon by the contractor, would begin the day after the previous contract expires. Any successive contract must have the written approval of both Mobile County and the vendor no later than thirty (30) days prior to the expiration of the previous contract.

Chemical	Name Brand
MSMA per gal	MSMA 6+, Drexel
Sulfometuron methyl per lb	SFM 75, Vegetation Manager
CAMPAIGN per gal	Campaign, Monsanto
Glyphosphate per gal	Glyphosphate 4, Veg Manager
Triclopyr per gal	Element 3A- Dow AgroSci
Sulfosulfuron (20 oz) per cntnr	Outrider
Fosamine per gal	Krenite S
Aminopyralid amine per gal	Milestone
Metsulfuron Methyl per oz	Metsulfuron Methyl DF, Veg Manager
Imazapic per gal	Panoramic 2SL, Veg Manager
DRIFT CONTROL per qt	Alenza Drift
SURFACTANT per gal	
(Non-ionic)Type A 90% ai	Surfac 910
(Non-ionic)Type A 80% ai	Surfac 820
(Non-ionic)Type A 70% ai	No Bid
(Veg/Petro Oil) Type B	Peptoil
(MSO)Type C	Mess-100

ITEMS TO BID

	Treatment Type	Estimated Acres/gals	Unit Cost (W/O CHEMICALS)
A, B, C,	Broadcast Application	1000 acres per application	_____ (Per acre)
D-1	Brush broadcast Application	300 acres	_____ (Per acre)
D-2	Brush Spot Application	5000 gallons of mix	_____ (Per gal)
E	Supplemental Spot application	1000 gallons of mix	_____ (Per gal)

ITEMS TO SUBMITTED WITH BID

- Item III. Note 5. Detailed list of equipment
- Item IV. Note 6. Custom Pesticide Applicator's License
- Item V. Note 7. Supervisor's and Applicator's resume & Applicators License
- Item VI. Note 10. Past Projects List
- Item VII. Note 11. Copy of Contractors License
- Item VIII. Certified Check or Bid Bond

Life of the Contract

The expiration date of this contract will be **from the Date of Award through September 30, 2013**, with the option to issue a second and third 12-month contract renewal under the same pricing, terms and conditions. The second and third contract renewals, if requested by the County, and agreed upon by the Contractor, would begin the day after the first or second contract period expires. Any successive contract renewals must have written approval of both the County and the Contractor no later than thirty (30) days prior to the expiration of the previous contract.
